|---|---|--|-------------------------------------|---|--|
| <b>Project</b>                              | Jobshadowing  | <b>Date</b>  | 13.10.2022                          | <b>Time</b>   | 1 hour                                   |
| <b>Name of Session</b>                      | THE DEFINITIONS OF HUMAN RIGHTS   |  |                                     |   |  |
| <b>Overall aim of the training</b>          | To give participants a general idea of different definitions within human rights and create space for a group discussion. |  |                                     |   |  |
| <b>Learning objective</b>                   | Gaining new vocabulary in the terrain of human rights   |  |                                     |   |  |
| <b>Rationale for the learning objective</b> | Group work connecting words to their meaning  |  |                                     |   |  |
| <b>Time slot</b>                            | <b>What</b>   | <b>How</b>   | <b>Resources</b>                    | <b>Learning Outcomes</b>  | <b>Assessment methods</b>                |
| 10 minutes                                  | Introduction and energizer  | Introducing the topic that will be addressed this session, introducing the facilitators, small name circle when necessary    |                                     | Participants know what will be done this session and have an idea who they are listening to | Asking questions such as "Is this clear" |
| 5 minutes                                   | Introduction and group formation  | The words and definitions that will be addressed this session are introduced and participants are asked to form three groups | List of words and their definitions | Participants understand the assignment and are ready to start                               | Asking questions such as "Is this clear" |

|            |                  |   |   |   |  |
|------------|------------------|---|---|---|--|
| 20 minutes | Group work       | Participants work in their groups, connecting the words and definitions together  | List of words and their definitions   | Participants work together and broaden their knowledge on vocabulary used during discussion about human rights  | At the end of this part of the session, each group has a definition for each word  |
| 20 minutes | Group discussion | Participants come back to the circle and the words are read out one by one, checking their definition as a group. Participants can comment or address thoughts that come up at any point. | List of words and their definitions, when necessary tape can be used to stick the words with their correct definition onto the wall | Participants control and correct their assessment of vocabulary and discuss the meaning of these words for them | Group participation, checking if each person feels free to speak   |
| 5 minutes  | Reflection       | Facilitators ask the participants if this was difficult or easy, what they learned and if they have anything to add   |   | Participants reflect on this session  | Ask each participant to say at least one sentence about the session, so you have a well rounded idea of the way it came across |
