Toy Library Association is looking for ESC Volunteers for 2022 – 2023. As a private NGO from Ankara-Turkey our main purpose is to provide equal opportunities for disadvantaged children. Our main activity is managing toy donation organization for disadvantaged children. Besides that we work on various activities for children on Art and English Language. So If you have a local volunteering mind set and have experience with children you are welcome to apply. We use alternative education methods such as Montessori, non-formal learning and creative drama in our activities.

Project Responsibilities:

- Toy Donation Organization
- English Workshop
- World Play Day Celebrations - Ankara Game and Toy Festival
- Promotion, Visibility and Media

What might be hard: Turkish language, Turkish culture, staying away from a family for a year, adaptation for a new culture, working with different age groups of children / disadvantaged children, workshops based on Art and English.

What is necessary: At least 25 years age, knowledge in alternative education, creative in art, have handcraft, motivation, leadership, responsibilities, corporation with young people, working with children. Scan QR Code for the Application form.

With the best wishes - Toy Library Association
