# PRACTICAL INFO

## C4CS

Center for Creative Solutions (C4CS) is located in the rural Croatia, near the Velebit mountains, some 600 meter above sea level with rich wildlife and pristine nature. It is located 3 kilometers from the village of Lovinac that has small shop, post office, cafe, doctor, dentist and first aid. There is a lake 10 km from the C4CS, seaside is some 30 km away, city of Zadar is 70 km, Plitvice lakes national park is 75 km, Zagreb is 220 km, with two trains a day commuting back and forth.

Food costs are covered and accommodation is in a rented private residency located 10 minutes walking distance from C4CS, consisting of kitchen, bathroom and 2 rooms, with a small terrace. Residency has basic and simple accommodation and can be quiet comfortable and nice if the basic rules are followed (such as cleanliness, caring of the wood stoves, looking after surrounding, sensibility to environment that includes vegetarian food, organic products and cosmetics). There is no WIFI at the residency and Internet can be provided through a Croatian SIM card with a monthly internet.

Traveling costs to C4Cs from your location are covered in the amount up to 275 Euros (limited by the Erasmus+ distance calculator). Monthly pocket money in the fixed amount of 150 Euro. Working schedule is 6 hours a day, with 2 days free weekly. Organization of working hours per day depends on the weather and time of the year. Free days can be collected and used together according to agreement. Online course in basics of Croatian language is provided.
