Youth Exchange for

Sustainable Tourism in the Szekler Area

17-26th of May, 2024

ABOUT US

The Farmers Association of the Cristuru Secuiesc Area was founded in the spring of 2013. It aims to be a niche organization to assist local farmers in the area, encouraging and making the youth aware that it is beneficial to deal with agriculture. In addition, the organization seeks to bring cultural diversity into a close community. We intend to establish collaboration, and cooperation with other organizations with similar objectives and specialized institutions in the country and abroad.

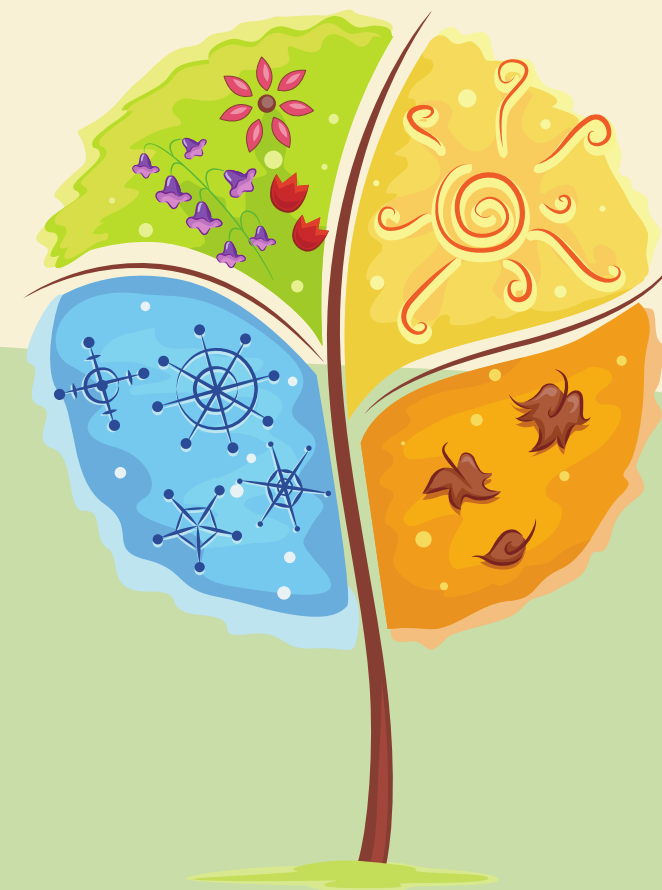

OUR GOALS

To increase the knowledge of 42 future entrepreneurs in the field of tourism about:

Historic Tourism

Seasonal Tourism

Nature Tourism

Gastro Tourism

Participant profile

- ✓ are between age 20-26
- ✓ active in their community
- ✓ interested about the topic
- ✓ motivated and curious
- ✓ can speak English in a communication level
- ✓ available between 17-26th of May, 2024
- ✓ are ready to disseminate

**WE ARE LOOKING FOR
6+1 PARTICIPANTS
FROM EACH COUNTRY**

WHO:

The training course will have 8 activity days between 18-25th of May 2024, not including travel days.

Travel days will be on the 17th and 26th of May for participants traveling normally, for those who will use green travel, the travel days are 16-17th and 26-27th of May.

We recommend Green means of travel for everyone as this is part of our core priorities. It means you can travel by bus, train or car-sharing.

If this is not possible then the groups can fly to Bucharest, Cluj, Sibiu and Targu Mures.

Travel information

Accomodation, working place and food

You will be hosted at the Soskút Diákszálló which is a recently renovated building for students and guests, situated just outside of the town. Rooms are fully furnished, with bathrooms and 3 beds in each room.

The activities will be held in the same building in the conference room and the green areas around it.

Dining will also be done in the dining hall of the Soskút Diákszálló. You will be served typical Hungarian and Romanian Food and regular European dishes.

A town in Harghita County, Romania, situated in Seckler Land, an ethno-cultural region in eastern Transylvania where the majority of the population is Seckler, who are a Hungarian ethnic group which speak a distinct dialect of Hungarian.

About our town

Cristuru Secuiesc (RO)
Székelykeresztúr (HU)

The population of the town is 10.000, from which 96% are of Hungarian ethnicity, 3% of Romanian while 1% belongs to other groups. The neighboring towns are Sighișoara in the west (with a medieval fortress) and Odorheiu Secuiesc in the east.
