# Project Summery

**Date:** July 27- August 4 2023 (with travel days)

**Location:** Marsaxlokk Youth Activity Center, Malta

**Number of participants:** 32

**Type of the project:** Erasmus+ Youth Exchange

**Participants:** 32 (4 participants from each country 18 and above youth workers, volunteers)

"Circular economy for youth" involves 32 participants from Malta, Lithuania, Greece, Italy, Croatia, Spain and Germany to discuss, analyze and debate on the importance of sustainable way of living to increase the environmental awareness among the young participants of the project, promoting a way of living that is sustainable for our planet, with the final goal to decrease the detrimental effects of pollution

Co-funded by  
the European Union

## *Objectives:*

The “CEFY - Circular Economy For Youth” training course allows Youth Workers to increase knowledge and skills in the field circular economy and environmental consciousness:

- Understanding methodology behind the concept of circular economy
- Increase of knowledge regarding the environmental issues and how to tackle them skills regarding the Green Competencies indicated by the EU commission
- skills in using and understanding the advantages of the circular economy as opposed to the linear one
- ability to create non-formal activities for the promotion of environmental protection

During the “CEFY - Circular Economy For Youth”, all actions implemented to ensure the project's success are focused on the acknowledgement of the importance of non-formal learning techniques such as:

- cultural exchange
- teamwork in mixed groups by gender
- role-play for direct understanding of circular economy
- exchange of best practices in person with institutions in the sector
- outdoor activities for communication and methodology testing with the local community
