SERVICE CIVIQUE
Une mission pour chacun
au service de tous

@planet_citizens

PLANET CITIZENS

LANGUAGE TRAINING 2024

Is a non-profit organization based in the France. We use sports to teach languages and encourage european and global citizenship for young athletes and pupils from disadvantaged areas.

By getting European volunteers to assist sports teachers and clubs coaches, we transform sports training into language immersion sessions.

DO YOU KNOW TENNIS ENTHUSIASTS WHO COULD BE INTERESTED ?
