Erasmus Network Belgium (ENB) is an active organization in Belgium created by post Erasmus activists from University of Antwerp. The organization is promoting Erasmus+ opportunities for youth and adult people to broaden their horizon, encouraging them to explore EU opportunities and take part in European projects as well as volunteer in activities for positive social changes.

Erasmus Network Belgium is aiming to reach wider networks in Belgium in order to encourage citizens to involve in Erasmus+ and other EU opportunities such as European Solidarity Corps, Erasmus Young Entrepreneurs, Erasmus Intern, Erasmus+ Sport, etc. In addition, ENB is aiming to boost participant's chances for increasing employability by equipping them with different skills and abilities, as well as to encourage new generation to get know more about other cultures for tolerance, to create intercultural dialogue for more peaceful futures and to break the stereotypes in the frame of cultural tolerance.
