CRAFTY

The CRAFTY Training Course: Creative Art Strategies for Community Empowerment in Young People (2024-1-ES02-KA151-YOU-000207805) is designed to empower youth within their communities by using art as a tool for expression and social change. Coordinated by Taller d'Art, Cultura i Creació (TACC), this training course will bring together 8 partner organizations committed to youth development through artistic initiatives. This course aims to address the growing need to foster creative skills and leadership in young people across diverse contexts. By recognizing the power of art in driving social change, CRAFTY will focus on the importance of integrating artistic methodologies into youth work and social inclusion. Over the course of 5 days, participants will engage in a variety of activities designed to enhance their knowledge and skills in using art for empowerment. The objectives of the course include enhancing the visibility of art's role in youth community empowerment, exchanging strategies for implementing inclusive artistic projects, and exploring different methods for incorporating art into youth work. Participants will also collaborate to create a resource booklet that compiles strategies and best practices related to art and youth empowerment.

Throughout the training course, participants will have the opportunity to share successful artistic initiatives from their regions that have positively impacted youth, exchange experiences and challenges related to implementing artistic projects, and engage in interactive role-play dynamics and group debates to analyze empowerment scenarios through art. Additionally, participants will visit local organizations that have successfully integrated artistic strategies for youth and community empowerment, offering a chance for technical learning through real-life examples. Experiential learning activities will also be an integral part of the course, providing participants with hands-on opportunities to develop and understand artistic strategies.

The training course will take place from the 7th to the 11th of April, 2025, in Malgrat de Mar, Spain. Participants will travel on the 6th and 12th of April, with the course lasting for 5 days, plus 2 travel days.
